Vice President
Antonia LoFranco

Current Constitution

Article VIII: Elections

Section 1: Requirements

- A) Members who wish to run for office must submit an application for said position.
 - i) Members may only apply for up to two positions.
- B) Reasons for disqualifications may include but are not limited to:
 - i) Lack of availability in the upcoming school year.
 - ii) Lack of active membership.
 - iii) GPA below a 2.5.
 - iv) Not a University of Florida student.
 - v) Not a full-time student- must be taking 12 credits or more.
- C) Members who wish to run for President and Treasurer must have been on the Executive Board (comprising the current President, Vice President, Treasurer, Secretary, Trip Director, Event Director, and Public Relations Director) for at least one year to be eligible to run for these positions.
 - i) If there are no candidates on the Executive Board that wish to run for these positions, those members on committees will then be eligible.

Proposed Constitution Change

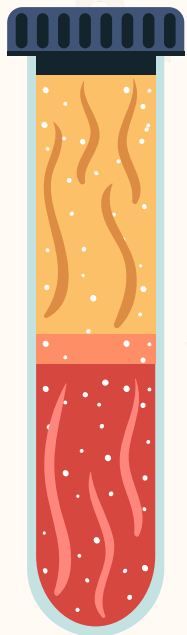

Addition to Article XIII, Section 1 -
Requirements of the Executive Board

D. Members must meet with the current officer and discuss the position before the application due date to be eligible to run. This can be in a personal meeting or during an officer-held question and answer session.

Weekly Wisdom: World AIDS Day

December 1st

HISTORY

- AIDS epidemic began in 1981
- World AIDS Day created in 1988

THEME

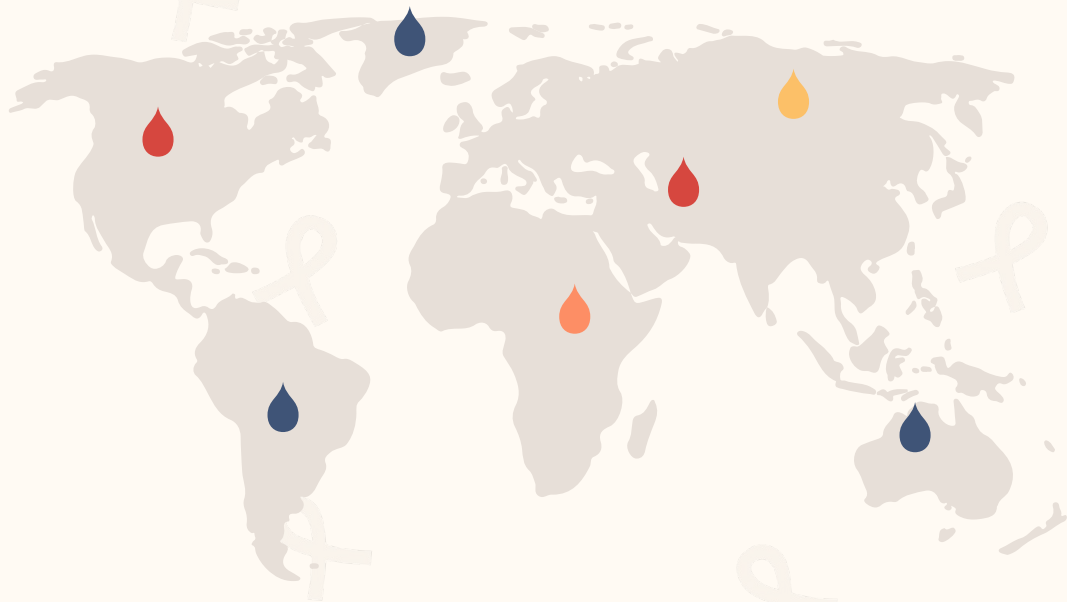

End Inequalities. End AIDS.

PURPOSE

To mourn those lost and reach those left behind with HIV/AIDS

Weekly Wisdom: World AIDS Day

37,700,000

estimated number
of those living with
HIV in 2020

680,000

people died from
HIV-related causes
in 2020

1,500,000

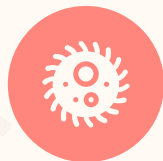

were newly
infected with HIV
in 2020

Weekly Wisdom: World AIDS Day

HIV – Human Immunodeficiency Virus

- Attacks the CD4 helper cell in the body
- CD4 cell protects the immune system
- AIDS officially occurs when the CD4 count is below 200

PrEP Pill

- For at-risk groups of HIV
- Reduces risk of HIV from sex by 99%
- Fortifies “walls” around CD4 cells against HIV

Antiretroviral Therapy (ART)

- Treatment for AIDS
- Prevent viral replications of HIV in the body
- Slow the progress of AIDS
- Prevent infections and complications

Game Night

- The Metagame
 - A more intellectual/less inappropriate version of Cards Against Humanity
- FunEmployed
 - A fan favorite. Very funny and requires creative quick thinking.
- Bad People
 - Similar to the voting game
- What do you meme? (with expansion pack)
